2015 INCENTIVE DAYS NOTICE

SaskMilk is providing advance notice of the issuance of 2015 incentive days. This notice is being sent out earlier than in previous years in order to encourage producers to plan for fall milk production and to assist producers in managing their production needs in an efficient manner.

Incentive days will be issued for the following months for 2015:

July	1 day
August	2 days
September	3 days
October	2 days
November	1 day

Please note if Saskatchewan production trends and/or Canadian Requirements change, the issuance of incentive days may be reduced or increased.

If you have any questions regarding your quota management, please do not hesitate to contact Bev Solie at the office.
