## Notice to Producers

### 2019 January Incentive Day Cancelled

In order to better align production with current demand, SaskMilk is announcing the cancellation of the January 2019 Incentive Day. SaskMilk continues to monitor processing capacity and demand to ensure that the milk produced in Saskatchewan is keeping with responsible production volumes. With current projections and production trends, the January 2019 Incentive Day has been cancelled.

**There is no change to the November and December 2018 incentive days.**

If you have questions regarding this cancellation, please do not hesitate to contact Directors of the Board or Doug Miller at (306) 721-9485.

If you have any questions regarding your quota management, please do not hesitate to contact Bev Solie at (306) 721-9488.
