

QUOTA LIMIT DISCLOSURE FORM

Producer Name: _____

Producer I.D. #: _____

The following information is being provided in support of the Applicant's application to SaskMilk for a licence application/quota transfer application/lease application/quota exchange application. References to "you" or "your" are intended to be references to the Applicant.

"Production unit" has the same meaning ascribed to that term in Saskatchewan Milk Marketing Board Order No. 40/20: Quota Limits (the "Order").

1. Please provide a list of all persons that will be involved in the management of your production unit and describe their roles.

2. To the best of your knowledge, are any of the persons listed above under question #1 engaged in the management or operations of any other production unit(s) in Saskatchewan? If so, please specify.

3. Have you agreed to pool land, equipment, cattle or any other resources with any person who owns or operates another production unit in Saskatchewan? If so, please specify.

4. Have you agreed to share revenues, profits, expenses or other economic results with any person who owns or operates another production unit in Saskatchewan? If so, please specify.

5. Please provide a list of all persons (other than a "bank" as defined in the Order) that provide or are expected to provide financing to you.

6. To the best of your knowledge, are any of the persons listed above under question #5 financing any other production unit(s) in Saskatchewan? If so, please specify.

7. To the best of your knowledge, are any of the persons entitled to revenues, profits or other economic results for your production unit entitled to revenues, profits or other economic results from any other production unit(s) in Saskatchewan? If so, please specify.

8. Do you have any reason to believe that the approval by SaskMilk of the licence application/quota transfer application/lease application/quota exchange application to which this document is attached will result in the Applicant being in contravention of *The Milk Marketing Plan Regulations* or any of SaskMilk's published policies or orders?
